

Spring Update

Hello Lawn Bowlers, Past & Present

Even though Mother Nature is not sure that Spring is here we are ready and anxious to get back on the Green for the 2022 season. Opening Day is scheduled for Saturday May 7th. We will bowl at 1:00 p.m with the Spring AGM following at approximately 3:00 p.m. The AGM hopefully will be very short and will be held outside. If the weather does not cooperate we will cancel the meeting and communicate the AGM reports and sign up sheets about volunteers required to all members by email.

It appears that this season will be returning to more normal operations. We still want to keep in mind social distancing, staying outside when possible and being respectful of members' decisions with respect to masking.

Please have a look at the website lindsaylawnbowls.com as Ian Hunter and Rhys Warren have worked hard over the winter to improve and update the site. The calendar of events lays out our plan for the season so have a look.

As mentioned in a past email, we did receive a New Horizon Grant and part of that grant was for a promotional campaign which will be starting right away. One of the things that you may be able to assist in is placing one of the 24 lawn signs that we are having made up on your lawn. We hope to have them ready for May 2nd. If you can help, please contact me. Word of mouth is still one of the best ways to get new members, so talk it up with your neighbours, relatives and friends.

Past members who have not been out in the last two years, we would love to see you return to the game.

Sandra Scott, our Membership Director has put a package together which is attached below. Hope to see you on the 7th
