The LLBC collects members’ personal information for the purposes of

- a. Establishing your membership within the Ontario Lawn Bowling Association database.
- b. Supporting the organization of club activities & coordination of volunteer work.

Each season a club handbook, which includes members’ names and telephone numbers, is distributed to all club members. At some point, this information may be added to a members-only section of our website.

If you wish to opt out of either the handbook or a future members-only section on the website, please indicate here. \_\_\_\_\_

From time to time, the club takes photographs of club members which may be posted in our clubhouse, on our website or used in promotional campaigns for the club.

If you have concerns about photos of you (where you figure prominently) being released in this manner, please indicate here. \_\_\_\_\_
